## Class Module 10

Welcome home to our community of Love and Light! I'm Kate Large and this is our tenth class module of The Game of Life Mastery Program!

I want to begin this class module by thanking you for allowing me to be a part of your life journey. Its been such an honor to hold that space for you - some of you have emailed me privately and you've posted in the Facebook - you're awesome! It has really been an honor to be a part of your journey and I'm really excited to continue that with coming Mastery programs. The next one will be in January, but we will be doing --- the self-study will be available in just a few days.

So lets begin this class module with some admin info.

This class module will be about an hour and immediately after we complete, I'll be answering any questions you have. If you're listening on the web, please type your question into the queue. If you're on the phone or Skype, please push \*2 on your keypad.

The next GAME of LIFE Mastery Program is scheduled for January of next year. When the date is finalized I'll post it in the Facebook and on the members website, plus I'll send you an email so you can mark your calendars.

If you have a friend who is interested in this program, they do NOT have to wait. Access to the Self-Study will be available by September 14, HOWEVER, it can be Pre-ordered now. So, if you know someone who will benefit from this program, please send them to the Game of Life Mastery.com website so they can begin with the self-study.

Then when the LIVE program is available, if they wish to participate all they need to do is pay the difference between the two programs and they're in!

You will also have access to the Self-Study files when they're available - watch your email - I'll be sending out an email and posting in the Facebook.

If you have not downloaded all the mastery tools and recordings of this program, please do so. I'll be using the same mastery website for the next program in January, so please go in as soon as possible and download all the mastery tools, recordings and transcripts of the program for your records - while they're available and before you forget!

The private Facebook community will also remain active so if you have a question please post it. Reach out for help if you need it and post your celebrations! I'll be checking in periodically and would love to hear from you!

If you're ready to take Florence's teachings to an even more amazing level of mastery, registration is open for the next Secret Door to Success MASTERMIND that begins on

September 28. This program is absolutely extraordinary - the life changing healing experiences we share together are incredibly powerful and truly life changing.

If you are looking for a small, intimate group - family like you've never experienced before, contact me. You'll be glad you did.

## **CLASS**

Okay, so this is our tenth class module and I trust that you've completed your homework - to read Chapter 10, Denials and Affirmations and complete the Inside Assignments - and if you haven't do not beat yourself up. When the universe provides the time for you it will be the right time!

The basis of this program is to identify the energy you wish to BE in - the energy of happiness and joy - whatever that is for you. And as a human who may have been drowning in worry, frustration and feeling helpless and powerless at some level, you've longed for something better - something different.

When we began the program, you may not have known what it looked like, but your heart knew what it yearned for and it may have known what it would feel like to BE living a different life - you just had trouble accessing it.

You've completed this Game of Life Mastery Program - and I want to invite you to the next one and the next one and the next one - whatever fits into your schedule. And I want you to know that each new program will have its own magic for you - because each time you participate... you'll be at a higher vibration of energy and Florence's teachings will speak to you in a new way.

I have to tell you... I've read *The Game of Life* over and over and over --- and every time I read it I discover something new - something that I don't remember reading before - and this happens... every---time....

This happens because we're at a higher vibration of understanding, --- and at this higher vibration the words and the energy of them are new - and exciting --- and it takes us to a new - explosive level of awareness that expands our energy of expectancy and possibility that we couldn't even have imagined before.

Florence tells us that we must open our hearts and minds to transcend the limitations of the reasoning mind. The energy of our planet fully supports you to shift into that higher vibration of love not only spiritually, but physically as well.

Be gentle with your body when you experience expansions of consciousness spiritually. Your body needs time to acclimate to the higher vibration - get more rest and drink lots of water to flow gently into the new vibration.

Florence tells us we each have within us consciousness of gold - of opulence, of prosperity, which brings riches into our lives. That consciousness of gold is the love

energy within you of excited expectancy. And the more you consciously hold that golden possibility energy from the depths of your conscious and subconscious, the more quickly you'll manifest the desires of your heart that bring you joy - and you have the tools to do this.

### **Recap of the Mastery Program**

So first lets recap the tools of this program:

You've identified what resistance energy is and where you feel it in your body.

Resistance energy being that less than love feeling when you're not in agreement with a belief, someone or something. By now you're able to recognize it when it reveals its less than love energy to you.

If the resistance that's revealed is due to a belief, you know it stems from a neural pathway of belief that no longer serves you and you have to rewrite it. And to do that, use the "Rewrite Your Neural Pathway" process - you'll find that PDF file in the Mastery Tool Library.

If that resistance energy that you're feeling that's revealed to you through a life event or relationship, then you know to look within and ask your angels to show you the core of the energy - where the resistance energy originally stemmed from. You can use the "Angels Show Energy Core" method. That's excellent to heal it. That document is in the Mastery Tool Library.

Other tools you can use to address resistance energy to pull it into the light and heal it are:

- ~ Jumpstart Your Power
- ~ Disconnect the Cords to Heal the Wounds of Your Heart
- ~ Forgive the Unforgiven
- ~ How to create your Heaven on Earth
- ~ Shift Your Energy to Love and Healing Circle of Love - those 2 meditations

To work more closely with your angelic team, you have guidance through: the Communicate with Your Angels audio program and I believe there's another angel program - Receive and Understand Messages from Your Angels and the Tap into Your Higher Self guided journey.

You've made the 5 Commitments to yourself to help you maintain your power. If you missed that call, the 5 Commitments are also in the Mastery Tool Library.

We've learned that our relationships with others are all about us and how to understand what to do when adversity with someone mirrors to us energy that makes us uncomfortable. Be sure to download the Master Loving Relationships program from the

Mastery Tool Library. Its a full program that will give you even deeper insight to the dynamics of relationships so you can easily create the highest possible outcome.

You've learned how to quiet your mind with Deepak Chopra's breathing exercise and how to ground quickly. Grounding yourself throughout your day will help you to maintain your energy level and your power.

If you haven't listened to the support of the Mastery Experts, be sure to do that - you'll be so glad you did! I've added a new Mastery Expert - Rachel Keene. Rachel is a spiritual and physical healing expert - she's my go to gal when I spiritually need a human hand of support. You'll want to be sure to listen to the chat I had with Rachel.

So be sure to go to the Mastery Tool Library on the members website and download everything!

You may only use a few, but be sure to download them all, in case you need them later. I don't know what tools I'll include in the next mastery program - some will be the same, some will be new and a few may not be included - so take them all in case you need something that isn't listed next time.

You now have all these tools and so many more in the form of guided journey meditations of loving energy, audio content, and transcripts - PLUS you have a Lifetime Membership to continue participating in this program.

And each time you do, you'll be at that higher vibration of energy and its like the whole program is new. I have to share with you that every time I present this program, my stuff comes up, too - we are as an onion - I'm at a higher vibration and something new comes up for me, but I know what to do with it. What comes up is ALWAYS uncomfortable and may be painful at first, but I recognize it for what it is - an expansion into a greater expression of me and I know how to process through it - I see where the energy's been holding me back -- and I use my tools to shift out of the energy... to heal it, disconnect from it and to really be catapulted into this whole new place of magical creation.

I invite you to come back and join me for the next program and the next program and the next program!

### **Treatments**

So this class module is about Florence's treatments and molding shapeless matter into the physical form your heart desires.

Florence would "Treat" for people and her treatments were powerful. They were so powerful because Florence knew with every cell of her being that no matter what someone wanted to experience, it was already theirs at a higher plane of existence - whether it was exactly what they had their eye on or something better - something for the highest good of all - she knew it was possible for them!

What made her "Treatments" so powerful is the energy behind them.

We're going to do some treatments here in a few minutes, but I want to preface them with this:

I fully believe - with all my heart and BE-ing that whatever you wish to create as your new life or transform in your current life, is already made manifest at a higher plane of existence - it ALREADY has your name on it.

I have NO Doubt that you can not only have what you want, but its already yours - no matter what it is.

As we experience each treatment, embrace the joy filled energy you'd experience at already having received what we're treating for. Remember, the energy behind the treatment is what gives it life.

I BELIEVE you deserve whatever it is you wish to experience with every cell of my BE-ing, but I can't - can-not create it for you - YOU must hold the energy fully in your BE-ing in order to manifest what you want as your reality - but I'm right here supporting you, knowing you can do it! Together, we're the *Power of Two!*

If you cannot get to the energy of receiving what you want because there's resistance energy in the way, use the tools we discussed earlier to pull it into the light, face it, disconnect from it and heal it - then experience the treatment again - if you're still not achieving the energy of receiving what you want to experience, repeat pulling the resistance energy into the light to heal it.

REMEMBER - stuffing resistance energy is FAR MORE PAINFUL than pulling it into the light! AND... stuffing resistance energy is what blocks us from living the life we deserve to live - the life that's your birthright - one of joy, love and happiness!

Now I want to begin our first Treatment. We'll begin with treating for the Divine selection of your perfect self-expression. If you're already in the job or have the business of your dreams, then this treatment will expand that joy and happiness.

With the power of my belief in YOU, we begin.

### **Treatment for Perfect Self-Expression**

First, I'm going to share with you the "Spoken Word of the Treatment" - I'm going to tell you what it is, then I'll say it slow enough for you to write it down. By writing it down, you'll access and anchor the energy.

Then we'll get settled into the intention and quiet our minds, then we'll shift powerfully into the higher vibration of love creation energy. When we do this, allow yourself to experience whatever is revealed to you - whatever it is - whatever you see, whatever you hear, whatever you know in your heart - just allow yourself to experience it.

So... I'll speak the word for the group, then speak the word slowly - personifying it - so you can write it down...

Again, allow yourself to take in any guidance you receive during the Treatments.

And we'll begin:

I speak the word for The Game of Life Mastery community...

*Infinite Spirit, release the brilliant genius within each member of The Game of Life Mastery Community. Open the way for the Divine Design of perfect self-expression to now manifest, under grace in a perfectly miraculous way. For the highest good of all - thank you, thank you, thank you!*

Okay... so write down this personalized version...

Infinite Spirit, release  
the brilliant genius  
within me.  
Open the way  
for the Divine Design  
of my perfect self-expression  
to now manifest as mine,  
under grace  
in a perfectly  
miraculous way.  
For the highest good of all -  
thank you, thank you, thank you!

Now we'll quiet our mind....

*Place your feet flat on the floor. With your hands gently in your lap and eyes closed, focus your attention on the beating of your heart.*

*Now shift your focus to gratitude of the blessings in your life. Embrace what you're grateful for and breathe into the gratitude.*

*Ask yourself these questions:*

*Who am I?*

*What do I want?*

*What's my purpose?*

*What makes me happy?*

*Now simply allow yourself to be aware of your physical body. Your hands in your lap – your feet on the floor.*

*Now focus again on your heart – allow yourself to hear the beating of your heart as a sound or feel it as a sensation.*

*Take a deep breath...*

Now we're going to GROUND into the highest vibration of love possible - connecting to your immediate supply... --- accessing your creation energy....

Take a deep breath and with your eyes closed....

Allow yourself to see in your mind's eye your massive oak grounding tree...

Your grounding tree is of the essence of your perfect self-expression and welcomes you with great love.

Take a deep breath and step into the spiritual essence of the tree.

Allow your feet to go down into the roots of the tree...

Down through the soils, water and rocks, down to the core light of loving, prosperity at Mother Earth's center...

Now pull the powerful possibility of love back up through the rocks, soils and water to your feet....

up your legs...

to your heart...

The branches of your mighty oak tree open wide to the breath of God.

With open heart and arms, we tap into the essence of creation from deep within...

Breathe deeply and pull into your heart, through your breath, the joy of fulfilling your true potential through your perfect self-expression...

Infinite Spirit, release the brilliant genius within me.

Open the way for the Divine Design of my perfect self-expression to now manifest as mine, under grace in a perfectly miraculous way.

For the highest good of all - thank you, thank you, thank you!

The angels of love, light and perfect self-expression join you in your oak tree of loving possibility - bringing with them the energy of limitless creation - allow yourself to feel them come in close... fully supporting you to BE limitless possibility in all directions of time - from within to without....

Now ask the angelic beings of light - the essence of God that hold you safe - ask for your Divine Life Pathway to be illuminated before you.

Take a deep breath accessing your creation energy.

Breathe in deeply of the joy it would bring you to experience perfect self-expression in whatever form that is!

Take another deep breath and allow the bright light of the life force energy of Creation within you to expand bigger...

and brighter...

until your entire body is filled with the brilliant bright light of creation energy...

Allow yourself to FEEL how awesome it is to experience perfect self-expression - from within to without....

Firmly anchor and claim your perfect self-expression - all that is yours by Divine Right!

Breathe into every cell of your BE-ing how magnificently awesome it IS to experience work that you love!

Now.... take a deep breath... and allow the brilliant light of creation energy that you are to expand up through the branches of the tree - up high...

***Your beacon of light shines brightly to magnetize to you*** the perfect self-expression that makes your heart sing with joy...

Take a DEEP Breath... and repeat after me using the voice of the life force energy of creation:

Infinite Spirit,

Release the brilliant genius within me.

Open the way for the Divine Design

of my perfect self-expression

to now manifest as mine,

under grace in a perfectly miraculous way.

For the highest good of all - thank you, thank you, thank you!

Embrace in deep gratitude, the perfect position of self-expression that is yours by Divine Right.

How Awesome is it to experience your perfect self-expression? Even if you don't know what it looks like... FEEL the joy surge through your body...

Allow roots from your feet to go deep down into the soils of Mother Earth, down through the rocks, the clay, the water - down to the core healing light of possibility at her center. Pull that loving light back up through the soils to your feet, up your legs, to your heart.

Now... Take a deep breath, thanking your angelic assistants... and bring back with you.... the brilliant love light - the limitless possibility of creation as you step out of the grounding tree and when you're ready... open your eyes.

Infinite Spirit, release the brilliant genius within the Game of Life Mastery Community. Open the way for the Divine Design of perfect self-expression to now manifest, under grace in a perfectly miraculous way. For the highest good of all - thank you, thank you, thank you!

Give us a definite lead, let us know if there is anything for us to do!

I hold you in the light of experiencing your perfect self-expression - what is yours by Divine Right - under grace, in a miraculous way!

So Be It - and it IS!

Demand a lead to guide you to any action steps that may be necessary to bring your perfect self-expression to fruition. Then be OPEN to what that lead may be - you may have been shown one during the Treatment. Use the time of Distracted Concentration to open the way for your lead to register in your consciousness. That time - that Distracted Concentration is time that you're focusing on something, but its not brain surgery - like doing dishes, or vacuuming or taking a bath - let whatever comes in, to come in and recognize it for the guidance that it is.

Your power is in BEing non-resistant - fear holds resistance - allow yourself to be as the flow of water - completely non-resistant...

In Divine Mind there is only completion; therefore, your demonstration is completed as your perfect work, your perfect home, your perfect self-expression, your perfect wealth - without fear, doubt or anxiety at any level.

### **Treatment for the Perfect Home**

Now we'll experience a Treatment for the perfect home - I wasn't going to do this tonight, but we are. Your perfect home may be a new home, or remodeling the one you have, OR it could be improving the relationships within your home - whatever the perfect home means to you - YOUR version of the perfect home.

Allow yourself to take in any guidance you may receive during the Treatment.

I speak the word for The Game of Life Mastery community...

When you get clear on what it is you want to create or transform in your life, shift your energy to what it would FEEL like to be, do or have what it is you want, and know you're not faking it or lying to yourself. You're planting the seeds of a new reality!

Hold fast to the vision of seeing yourself in your mind's eye enjoying what it is you wish to create. Maintain the excited, expectant joy filled energy that experiencing what you want gives you --- and what you want manifesting as your reality will be inevitable!

### **Treatment for Loving Relationship**

So... now we'll experience a Treatment for the perfect loving relationship - this may be with a partner - a new partner, or the partner you have, or your children or improving the relationships with co-workers, friends or extended family - whatever the perfect loving relationship means to you. When we get to the part of claiming the specific loving relationship you want - I'll supply the template, but you personalize it in the way that claims the relationship you want - an example is:

- \* a loving relationship with a life partner or
- \* a loving relationship with a daughter or son or co-worker or boss or friend or other family member

I'll use Life Partner, but you change it to whatever relationship you want to treat for.

Allow yourself to take in any guidance you may receive during the Treatment.

And I'll begin by speaking the word for The Game of Life Mastery community...

So Be It - and it IS!

Demand a lead to guide you to any action steps that may be necessary to create the perfect loving relationship that you're looking for. Then be OPEN to what that lead may be.

Now this template - I used the same template for these treatments. You can modify that - you can create a treatment for - maybe its for money, maybe its for a vacation - maybe its for a new car.

Your can alter it, modify it to fit your needs and fit your energy. Ask your angels to help you to really get into that energy of what you want to create and use the words that convey your energy.

The power of Florence's treatments was and is the energy behind them.

Even though I don't know you personally I KNOW - without any doubt at all - that you deserve to have, to be, to experience whatever it is that brings you heart joy. I-KNOW-IT - just like Florence did back when she was in her human body and knows now in spirit - without any doubt!
